This is to advise you that the Department's Office of AIDS Programs and Policy will be implementing the fifteen percent provision of Contract No. H-700882 with Valley Community Clinic. The provision allows the Director of Public Health or his designee authorization to augment services and allocations up to fifteen percent of the contract's budget.

We will authorize an augmentation of \$8,800 increasing the maximum obligation of the contract to \$354,249 for the term of January 1, 2007 through December 31, 2007. These funds will allow Valley Community Clinic to provide enhanced technical assistance related to mobile testing services. Funding will be obtained from the Centers for Disease Control and Prevention.

If you have any questions or need additional information, please let me know within two weeks of the date of this letter. Unless I hear otherwise from you, the augmentation will be implemented.
